6.1	Other Reports Lead Hospitalist: Staffing is good for June, however, gaps remain for to fill the shifts Currently no hospital top ups on the funding There continues to be a lot of turnover Appreciation extended to Dr. Chan for being the 'ur Competition is high in regards to recruiting at Many hospitals are looking for coverage in a many areas and are being spread too thin AMGH is in the process of establishing a Hospitalist Action: Looking for coverage of Walk In Clinic shifts; Dr. Ryan to discuss with Dr. Lam Emergency: Looking for continued funding of ER Locum Program Discussed length of time patients are remaining in E Discussed current inpatient and orphan coverage puthe physicians (ROTA) Reviewed use and support of AIRVO Requires intense resources, i.e., ICU Level 2 a available at SHHA, or at AMGH; these patient acuity facilities CEO is in the process of setting up a meeting establishment of 2 ICU beds at SHHA 	the summer; SHHA physicians will 'divide and conquer' payments nofficial' recruiter nd what other hospitals can pay number of areas, and physicians continue to cover too model <u>By whom / when:</u> • Dr. Ryan / Dr. Lam; Today n ER rocess in place at AMGH; responsibility rotates through and increased nursing care, which is currently not ts must be transferred out via CritiCall to higher level with Emily Christoffersen at OH to discuss ds, however, concern remains for night shifts, weekends					

	 Looking for Administrative support in this process 					
	• There is a noted surge of ICU patients within Huron County due to continue closures; concern for					
	availability of resources					
	• Dr. Nelham will escalate discussion around cost of keeping patients outside of scope that is available					
	at the hospital to the HHS Common Board in June It was suggested not to admit these patients if expected for more than a 24hr stay, as					
	easier to transfer out patients that are not admitted; this process will change when ICU					
	bed are established					
	• Dr. Nelham will be discussing development of an ongoing, uniform transfer process with AMGH in					
	order to support Airvo patients in the ICU; new vent can be moved with the patient					
	 Relationship development; Dr. Nelham has reciprocated that AMGH can call on SHHA for 					
	assistance when needed					
	• CEO and CNE are in the process of establishing another meeting with OHW to discuss the continued decline					
	of the ED situation in Huron County; OHW is aware of the rapid decline					
	• COO clarified that there is language stated in the HSAA that hospitals must maintain their designated levels					
	of service or funding must be reallocated; he is working with the Ministry on reallocation of funding to our					
	EDs which have remained open					
	• EMS					
	• Any issues with EMS must be documented and forward to Ms. Walker for follow up in order to					
	prevent situations from recurring					
	Dynamic Simulation					
	• Company can provide ½ or whole day presentation; limited interest shown at this time, expects to					
	revisit in the Fall; looking for an ACLS equivalent					
	Action: By whom / when:					
	Follow up with Criti-Call around transference of Wick; This week					
	Airvo patients					
	Discuss Airvo, ICU bed situation with Board Nelham; Jun					
	Discuss establishment of transfer process of Airvo Nelham; Jun					
	patients to AMGH ICU					
	Add Airvo discussion to next Agenda EA; Sep					
	Circulate another survey re interest in Dynamic Dr. Ryan; Jun					
	Simulation and determine associated costs and					
	details					
6.3	Chief of Staff Report:					
	• Gala was wonderful and a great success; Dr. Nelham encouraged all physicians to submit their share of the					
	\$10K commitment to the SHHF					
	MSA is scheduled for June 30 th at Dr. Ryan's house; will have a short meeting and then social time					
	Action: By whom / when:					
	Determine and communicate details of MSA Dr. Ryan; This week					
	meeting on June 30 th					
6.4	President & CEO Report:					
	Summer locum funding has been extended to end of September					
	Province commitment of \$1.1B to healthcare; shares unknown at this time					
	• There is an additional \$200M that is currently being determined for distribution, possibly to the Small,					
	Rural and Northern Hospital Network and Diagnostic Imaging					
6.5	CNE Report:					
	Discussed Regional Repatriation Agreements; hospitals are to take patients back within 24hrs					
	• Nursing staff is tight over the summer, however, there are a few programs available that are being					
	established over the next couple of weeks, i.e., Clinical Scholar Program, which is almost completely funded					
	• Hoping to provide a break for senior nurses, but have them continue mentoring and sharing their					
	valuable information with the younger nurses					
	Expect to see nursing students pop up over next few weeks					
	Action: By whom / when:					
	Email Ms. Walker re EMS issues for follow up All; Ongoing					

	• Forward change in cl social media	inic hours to papers and	• EA; This week				
6.6	Patient Experience Story:						
	<u>Discover Week Student Video</u>						
	 Patient story re non-invasive ventilation circulated; also shared at the Gala Noted great support of clinical staff 						
	Meeting routinely wi	Wingham and HPHA to discuss vulnerability of departments and staffing; July 1^{st}					
	weekend has been noted to be critical in Huron County						
	 Escalation of process can be made to OH in crisis situations 						
	MOVED AND DULY SECONDED						
	MOTION: To approve the Other Reports as presented for the June 8 th , 2023 MAC Meeting. CARRIED.
