5.3	Antimicrobial Stewardship:				
	No discussion				
5.4	Pharmacy & Therapeutics:				
	No discussion				
5.5	Lab Liaison:				
	Discussed clinical algorithm for component testing				
	 Several organizations have moved to 2hr testing, and Dr. Tran is determining when this can be 				
	implemented at SHH				
	 Concern regarding ordering bloodwork for inpatients several days in a row 				
	Steps have been communicated to Hospitalists				
	 Daily orders are to include a duration 				
	Physician education regarding Transfusion medicine is required for Accreditation purposes; to be determined if it will be annual or biannual				
	· -				
5.6	 Transfusion can now be done in 4 units instead of just 2 Recruitment and Retention Committee: 				
5.0	No discussion				
5.7					
5.7	 Quality Assurance Committee: F2526 QIP submission is complete 				
	Data collection has begun, i.e., LWBS in the ED				
	MOVED AND DULY SECONDED				
	MOTION: To approve the Medical Staff Reports as presented for the April 10, 2025 MAC Meeting. CARRIED.				
6	Other Reports				
6.1	Lead Hospitalist:				
	No discussion				
6.2	Emergency:				
0.2	 Drs. Kluz will be joining SHH; Dr. Andrzej will be picking up a number of ED shifts between Jul/Dec, and Dr. 				
	Agnes Kluz will be picking up Hospitalist shifts				
	 Drs. Kluz will be joining the primary care group as of Sep 1 				
	There are 3 or 4 shifts list in EDLP for May				
	There are 7 Hospitalist shifts still open in June				
	Communication sent out regarding TLP funding; there is still no indication of extension or permanent				
	funding				
	Physicians concerned in regards to the recent CBC interview with the CEO; physicians looking for stronger				
	advocacy regarding discontinuation of TLP funding				
	 Physicians felt that the interview did not properly credit them with the work that they have done to 				
	keep the ED doors open				
	Physicians concerned that CEO has been removed from the Medical Centre Steering Committee to focus on				
	Master Planning, MRI, strategic initiatives for HHS, yearend deficit position, and hopefully a CT Scanner for				
	SHH The Board continues to be supportive of building a new modical clinic, and the CEO position on the				
	 The Board continues to be supportive of building a new medical clinic, and the CEO position on the Steering Committee has been replaced with the Vice Chair of the Board 				
	 As of Mar 28th, the CT Scanner application for SHH is now in the review stages; anticipating a 				
	response by the end of May, once the government budget has been determined				
	 If the CT Scanner is approved, it is not dependent on the Master Planning, which could take 7-10 				
	years to finalize				
	 CT plans have been submitted, and a capital request for \$850K for the machine and \$3M 				
	for construction was discussed at a recent SHHF meeting; there is also the possibility of a				
	down payment coming from cash flow, or a bank loan, and apply for any rebates available				
	CT approval still pending				
	Action: By whom / when:				
	Contact CBC regarding interview to correct the Trieu; Today				
	acronym errors				

<u> </u>	Chief of Cheff					
6.3 Chief of Staff:						
	2025-04-Monthly Report-COS, circulated					
6.4	President & CEO:					
	2025-04-Monthly Report-CEO, circulated					
	Letter regarding TLP program submitted to the Ministry of Health; reviewed and signed by SHH Chief					
	of Staff and Chief of Emergency					
	 Addresses the important of TLP funding to small hospitals 					
	 Community Engagement Council session scheduled for Jun 4th (has been moved to Jun 11th, 6:15pm, 					
	in the interim) Communities are invited to discuss Master Planning					
	 Communities are invited to discuss Master Planning Formal communication will be circulated over the next few weeks 					
6.5	CNE:					
0.5						
	2025-04-Monthly Report-CNE, circulated (Shout Out' to Human Resources for the fantastic job they have done with the job fairs)					
	o 'Shout Out' to Human Resources for the fantastic job they have done with the job fairs					
	 UWO wants to meet with us due to uptake in rural nursing Nine externs have applied at AMGH 					
	o 'Shout Out' to IPAC and Amber for diligence in management of measles cases; acknowledgement received from HPPH					
	Occupational Health Department is ensuring all staff have proof of immunity to measles					
	or are getting bloodwork to determine immunity					
	 20% of current cases are vaccinated adults 					
6.6	CFO:					
0.0	• 2025-04-Monthly Report-CFO, circulated					
	 SHH anticipates on being better than budget by \$1.4M; budgeted deficit was \$2.2M 					
	Based on increases to base budget and one-time funding; one-time funding is not base					
	funding and is therefore not entered in the budget					
	■ F2526 deficit is budgeted at \$2.6M for SHH at this time					
	 Baseline increase is just under 3%, which is also expected to be the cost of salary 					
	increases					
	 Non-unionized staff will be awarded the same salary and benefits increase as 					
	unionized staff					
	o Investment in resources					
	o Recruiting					
	 Cross-site Lab Manager with infection control experience has been hired and will start in 					
	May					
	 Continuing to recruit for a DI (AMGH & SHH)/Cardiorespiratory (AMGH) Manager; looking 					
	for dedicated leadership for the MRI/CT Scanner					
	 Cost of MRI machine is close to \$2.5M, construction costs are estimated at \$4M 					
	 CT Scanner for SHH will is estimated at a cost of \$4M 					
	 MRI and CT are not in the base budgets; support funding has been known to be 					
	provided after the machines are up and running					
	 Ministry put a call out for 16 MRIs in the province and approved 46, which come 					
	with operational funding; this will put stress on funding campaigns for					
	purchasing and construction					
6.7	Patient Relations:					
	2025-04-Monthly Report-Patient Relations, circulated					
6.8	Patient Care Manager:					
	ACLS courses available in May; contact <u>Adriana.walker@amgh.ca</u> if interested					
	Stroke algorithm is active; posted in the ED					
	 Discussed stroke windows of care for EVT; current windows of care are being trialed to Jan 2026 					
	 Obvious large vessel strokes are shipped straight to London 					
6.9	Clinical Informatics:					
	Physician electronic documentation was 93.5% in March – thank you to all for your ongoing diligence					
	 Working with Finance to determine if there is a decrease in dictation costs 					

	 ED and Inpatient face sheets have been removed from the charting process; medical staff continue to work on workflow adjustments with this change Inter facility DI ordering is now available, i.e., CT referrals, etc.; site must be clarified Some referrals will still generate phone calls to determine an MRP Coronary angiography is still paper based, but will be added to electronic ordering Shari works with EA to set up new physicians for Cerner Access in advance of their arrival 				
	Action:		By whom / when:		
	Discussed CT ordering	ng process with Dr. Samour	Sherwood; Today		
	MOVED AND DULY SECONDED MOTION: To approve the Other Reports as presented for the April 10, 2025 MAC Meeting. CARRIED.				
7	New Business				
8	Education / FYI				
9	In-Camera Session				
10	Adjournment / Next Meeting		Regrets to <u>alana.ross@amgh.ca</u>		
	Date	Time	Location		
	May 8, 2025	8:00am	Boardroom B110 / MS Teams		
	Motion to Adjourn Meeting MOVED AND DULY SECONDED MOTION: To adjourn the April 10, 2025 meeting at 8:58am. CARRIED.				

Signature
